

FUNCTION AND PRIVATE HIRE

We've all been there. Organising a party or function for a group of friends or associates can be a major headache. No matter what the nature of the occasion or size of the party, as the organiser you will be faced with a range of difficult criteria to fulfil, such as:

- > Finding a suitable venue to comfortably house your guests - no matter how many or few.
- > Holding the event in a central location that is easy to find, and within easy reach.
- > Keeping within your budget
- > Finding a location renowned for food, drink and music.

In any case, you will want to impress your guests with a great venue offering unrivalled service that can deliver an event tailored to their needs - one that exceeds their demanding expectations and fits your own high specification. Congratulations you've found the answer.

FUNCTION HIRE

We believe you should only pay for the food and drink you receive so all our function hire is completely free. All areas of the bar can be booked and we will help you select an area which best suits your needs. All our normal food and drink options can be pre ordered and we also offer a full finger food / canapés menu which is attached to this pack. We do require a deposit to confirm your booking but this will be returned on the day of your event.

PRIVATE HIRE

Private hire allows you to take the whole venue to use as you see fit! We offer award winning drinks, great food and a flexible space. We are happy for you to decorate the room as you wish. We can provide Dj's, Doormen, Bespoke cocktail lists and multimedia equipment. Our function coordinator will guide you through the options and help you to build the perfect party.

56 NORTH

Private hire is also free, however we require credit or debit card details to confirm the booking along with a minimum bar spend that will be agreed with your function coordinator prior to the event. Anything you order or buy at 56 North will count towards this minimum spend so any pre ordered food or drink will be included and reduce the minimum spend. All the minimum spend listed below are based on you having 56 North privately from 6pm onwards.
